Lt. Governor for Division 12: Ryan Sturdy, Colby

Our Club

Our club was chartered in June of 1949. We average about 55 members each year.

Eliminate Project

Through The Eliminate Project, Kiwanis International and UNICEF have joined forces to eliminate maternal and neonatal tetanus—a deadly disease that steals the lives of 34,000 innocent babies and a significant number of women each year in 18 countries. They're waiting for us to fulfill our pledges—so we can turn promises into funding; funding into vaccines; and vaccines into lives saved and futures protected. The end of this disease means the beginning of better health for so many of these families.

Service Projects

Easter Egg Hunt

Held prior to Easter. Easter eggs are stuffed with candy. Eggs are sorted by age group and scattered throughout NWTech Campus Lawn and Soccer Field. Area children attend and scramble to find their eggs.

Trunk or Treat

The annual event brings Halloween to a blocked off portion of Main Street where families go from car trunk to car trunk to get candy. Kiwanis participates by handing out candy in the Halloween themed trunk.
